

Firefly swings it with AGS

KUALA LUMPUR: Firefly yesterday launched the brand new AGS-Firefly Golf Membership card at Green Canopy, Setia Eco-Park in collaboration with the Advantage Golfing Solution (AGS).

The AGS-Firefly Golf Card offers an array of convenient golfing avenues nationwide, with almost 50 associated golf clubs and resorts to choose from, and unlimited rounds of golf at discounted rates throughout the year, said Firefly and AGS in a statement.

Head of Marketing & Communications for Firefly, Ms Angelina Fernandez said, the collaboration with AGS was proof of the company's support for golfers. She said Firefly's departure point at Skypark Subang Terminal was an undisputable convenience.

Additionally, the airline is also offering a discounted golf baggage handling fee; the standard international baggage allowance of 20kg; assigned seating; and complimentary beverage and snacks. —Bernama
